Much Ado About Nothing

2011-03-22 to 2011-04-10

Claudio and Hero are young, in love and getting married. Beatrice and Benedick are older, single and can't stand each other. As friends and family gather for the wedding, hidden desires, jealousies and mischievous schemes

threaten to keep the bride and groom from the altar. Will young love prevail, or will another romance bloom instead? One thing is certain – as long as there are men, women and passion there's always "much ado."
